REPORTER
CAROL AULD
604 S. Marks Street
Thunder Bay F

Canada

Dear Archie,

I enjoy writing stories in my spare time. Here is one that I hope you will find amusing. It's my idea of what might happen if a creature from outer space landed on my doorstep.

CREATURE ON THE DOORSTEP

Good Morning! My name is Miss Tiny Toes. I come from the planet Jupiter at 86,000,000,000 Dog Star Drive. I have been observing you through my super lense camera out in space, and I decided that you are the one to help me with my problem.

My fiancee and I are to be married next month, and I don't know a thing about cooking. I would very much appreciate it if you would show me how to fix what you earthlings call a peanut butter sandwich and a hot mug of coffee

Please do not be shocked by my strange appearance. I know I may not be your duplicate, but no one is perfect. I also hope that you will not mind the fact that my face is half red and half purple, and that I wear an orange dress and matching hat. But, we must accept people, or whatever the case may be, for what they are.

I hope that you will accept this small gift of frog skin gloves that I made with my very own claws. When you wear them, I hope that you will be thinking of your friendly neighbor from outer space.

That's my story. I hope you have enjoyed it. Keep up the good work with your comics.
